

Wakefield Camera Club

Weekend Away 27-29th April 2012 to Chester
Sunday Away Day 29th April 2012 to Chester Zoo.

- The location for the Sunday Away day is Chester Zoo
- As a new item in the syllabus we are running a weekend away on the same weekend as the Sunday Away day
- Booking accommodation is suggested at the Cheshire Cat at Christleton near Chester.
- Members wishing to go for the weekend can make their own bookings, either on the internet or by telephone with the details below.
- We will arrange one evening meal as a group, on the Saturday evening
- Members to make own travel arrangements/insurance.
- The members on the weekend will be encouraged/expected to join the Sunday away day members at Chester Zoo, who again will have to make their their own travel arrangements, we will try to arrange and encourage car sharing.
- The Cheshire Cat does a weekend deal, pay for 2 nights and get one free. This makes the price per night very competitive. The price is £138.00 for a double room for the three nights. This is less than £46 per night for two. This includes a good continental breakfast.
- The hotel is very well placed for visits to North Wales both coast and inland not forgetting the City of Chester itself which is a short trip (less than 3 miles) up the road. The hotel is set in rural surroundings next to a photogenic old canal, so Sally may travel by boat! Details of the hotel can be seen at <http://www.vintageinn.co.uk/thecheshirecatchristleton>
- Individual bookings can be made at www.innkeeperslodge.com or Telephone 08451 551 551
- The hotel has limited rooms and this offer is very popular so action now is required to ensure your booking.
- Let's make this another success for OUR CLUB.
